## REPORT ON THE ACCESS TO INFORMATION ACT

### INTRODUCTION

The *Access to Information Act* (hereafter, the “*ATIA*”) gives Canadian citizens, as well as individuals and corporations present in Canada, the right to access federal government records that are not of a personal nature. The public’s right of access to information is balanced against the legitimate need to protect sensitive information and to permit the effective functioning of government, while promoting transparency and accountability in government institutions.

The *ATIA* complements but does not replace other procedures for obtaining government information. It is not intended to limit in any way access to government information normally available to the public upon request.

Section 72 of the *ATIA* requires the head of every federal government institution to submit an annual report to Parliament on the administration of the *ATIA* during the fiscal year. This Annual Report provides a summary of the management and administration of the *ATIA* within Defence Construction (1951) Limited (DCC) for 2013–14.

### MANDATE OF DCC

The principal mandate of DCC, pursuant to the *Defence Production Act*, is to meet the infrastructure and environmental needs of the Department of National Defence and the Canadian Armed Forces (DND/CAF) by providing quality services. DCC’s mission is to provide timely, effective and efficient project delivery and full lifecycle support for infrastructure and environmental assets required for the defence of Canada. DCC is an agent of the Crown incorporated for the purpose of carrying out the procurement for and delivering of defence infrastructure projects. The *Defence Production Act* defines a defence contract as a contract with an agent of Her Majesty that in any way relates to defence projects or to the designing, manufacturing, producing, constructing, finishing, assembling, transporting, repairing, maintaining, servicing or storing of or dealing in defence projects. DCC’s Letters Patent permit DCC to, among other activities, take on, lease or in exchange, procure, purchase or otherwise acquire, construct, alter, renovate, add to, improve and to hold, manage, maintain, operate, supervise, repair, heat, lease, sell, salvage, realize or otherwise dispose of real and personal property and in particular, lands and buildings. DCC reports to Parliament through the Minister of Public Works and Government Services.

### DCC’S ACCESS TO INFORMATION AND PRIVACY OFFICE

DCC’s Access to Information and Privacy (ATIP) Office is accountable for developing and implementing effective policies, guidelines, systems and procedures to ensure that DCC meets its responsibilities under the *ATIA* and the *Privacy Act (PA)*.

The main activities of the ATIP Office include:

- monitoring compliance with the acts, regulations, and relevant procedures and policies;
- processing requests under both acts;
- developing and maintaining policies, procedures and guidelines to ensure that DCC respects the acts;
- promoting awareness of the acts within DCC to ensure that employees are aware of their responsibilities;
- preparing annual reports to Parliament and other statutory reports, as well as other material that central agencies may require;
- representing DCC in dealings with Treasury Board of Canada Secretariat (TBS), the information and privacy commissioners, and other government departments and agencies to determine how the acts apply to DCC; and
- helping DCC meet its commitments to ensure openness and transparency, through proactive and informal disclosure of information.

The ATIP Office has two employees: the ATIP Coordinator and the ATIP Administrator.

#### **DELEGATION OF AUTHORITY**

Pursuant to section 73 of the *ATIA*, the President's authority has been delegated to enable the Corporation to meet its legislated requirements. The President delegated his powers and duties to the ATIP Coordinator.

See Appendix A for the Delegation Order.

#### **SUMMARY AND HIGHLIGHTS OF ACTIVITIES**

In accordance with the amended Directive on the Administration of the *ATIA*, DCC posts summaries of completed *ATIA* requests on DCC's website each month.

#### **EDUCATION AND TRAINING**

During the 2013–14 reporting period, DCC provided employees with ATIP training in order to increase awareness and help the ATIP Office fulfill its mandate.

#### REPORT FOR SENIOR MANAGEMENT

An ATIP Quarterly Statistical Report was created by the ATIP Office to inform senior management and increase awareness of all DCC's *ATIA* and *PA* cases. On a quarterly basis, 10 senior managers are briefed on this reporting. Also, twice annually 19 senior managers are informed. Topics covered in the presentation include:

- Annual and quarterly comparison of access to information (ATI) cases and pages reviewed
- Consultation cases by region and government institution
- Annual ATI cases by source type
- 10-year analysis of ATI received
- Time entry related to ATIP work

#### INFORMAL TRAINING REFRESHER

The ATIP Office continues to promote *ATIA* awareness by providing an informal training refresher to all of DCC's Regional Offices when required. This informal training is provided by telephone on a case by case basis in order to educate employees on their roles and responsibilities upon receipt of an ATIP or consultation requests. Education included: duty to assist principles, defining obstruction of access, retrieval of relevant records pursuant to the *ATIA*, and fee calculation. Sessions and number of participants were not tracked, however these informal sessions were given to approximately 70% of all employees who received ATIP requests this fiscal year.

#### **POLICIES, GUIDELINES AND PROCEDURES**

DCC did not implement any new or revised ATIP policies, guidelines or procedures during the reporting period.

## ACCESS TO INFORMATION ACT STATISTICAL REPORT

### FORMAL REQUESTS

The table below shows the volumes of access to information requests received and processed by DCC, by source, over the past four years:

Source	2010–11	2011–12	2012–13	2013–14
Public	5	9	9	9
Media	1	0	4	0
Business	17	12	18	14
Academic	0	0	0	0
Other organizations	0	0	1	0
<b>Total received</b>	<b>23</b>	<b>21</b>	<b>32</b>	<b>23</b>

Between April 1, 2013, and March 31, 2014, DCC received 23 requests for information under the ATIA.

Six requests were carried over from the previous reporting period, for a total of 29 requests processed. Of the 29 requests it processed in 2013–14, DCC completed 21 requests, which involved processing a total of 5,327 pages. Eight requests have been carried forward into 2014–15.

### DISPOSITION OF COMPLETED REQUESTS

Of the 21 requests completed during this reporting period, full disclosure was provided in response to five requests and partial disclosure was provided in response to nine requests. No requests were abandoned, and two were transferred to another federal government institution. In five cases, no records existed.

Paper copies of documents were provided for 12 requests. For two requests, the response was provided electronically.

### COMPLETION TIME AND EXTENSIONS

During the reporting period, DCC completed 12 requests within 30 days; three in between 31 and 60 days; three in between 61 to 120 days; and three in more than 121 days.

Of the 21 requests completed, 13 (62% of requests) were completed within the allowable time limits. Section 9 of the *ATIA* provides for the extension of the statutory time limits if consultations are necessary or if a large number of records have been requested, the processing of which would unreasonably interfere with DCC's operations. In eight instances, DCC found it necessary to seek extensions to prescribed time limits because the scope of the requests would unreasonably interfere with DCC's operations.

## EXEMPTIONS INVOKED

DCC invoked exemptions under the *ATIA* as follows.

Exemption		Number of times applied
Paragraph 16(2)(c)	Exempting records containing information on the vulnerability of a particular building or other structures and systems.	1
Subsection 19(1)	Exempting records containing personal information.	7
Paragraph 20(1)(b)	Exempting records containing confidential financial, commercial, scientific or technical information supplied to a government institution by a third party.	7
Paragraph 20(1)(d)	Exempting records containing information that could reasonably interfere with contractual or other negotiations of a third party.	1
Paragraph 21(1)(a)	Exempting records containing advice or recommendations developed by or for a government institution or a minister of the Crown.	1
Paragraph 21(1)(b)	Exempting records containing an account of consultations or deliberations in which directors, officers or employees of a government institution, a minister of the Crown or the staff of a minister participated.	1
Paragraph 21(1)(d)	Exempting records containing plans relating to the management of personnel or the administration of a government institution that have not yet been put into operation.	1

## EXCLUSIONS INVOKED

During the reporting year, DCC did not invoke any exclusion on the completed requests.

## REQUESTS FOR CONSULTATION FROM OTHER GOVERNMENT INSTITUTIONS AND ORGANIZATIONS

A significant amount of the ATIP Office's workload involves responding to requests for consultation related to formal requests received by other institutions. During the reporting period, DCC received 21 requests for consultation from other federal institutions. DCC works closely with departments such as DND/CAF, as well as Public Works and Government Services Canada, to respond to these requests in a timely fashion. Although the consultation requests are not reflected in the Annual Report's statistical tables, they nevertheless account for an increasing portion of the ATIP Office's total caseload.

## TRANSLATION

There were no requests for translation during the reporting period.

## **FEES**

As per *ATIA* regulations, DCC collected application fees totalling \$70, as well as \$828 for preparation.

## **COSTS**

DCC's costs directly associated with the administration of the *ATIA* for 2013–14 were estimated to be \$86,182.

## **COMPLAINTS AND REQUESTS FOR JUDICIAL REVIEW**

The Office of the Information Commissioner (OIC) notified DCC of one complaint in 2012–13, which was resolved in 2013–14. After receiving the results of the OIC's investigation, the same requester filed an application for judicial review with the Federal Court of Canada in 2013–14. This judicial review is ongoing.
