REPORT ON THE PRIVACY ACT

INTRODUCTION

The *Privacy Act* (hereafter, the “*PA*”) protects the privacy of Canadian citizens and permanent residents against the unauthorized use and disclosure of personal information about themselves held by a government institution. It also provides individuals with a right of access to that information and the right to correct inaccurate personal information. In addition, the *PA* legislates how the government collects, stores, disposes of, uses and discloses personal information.

Section 72 of the *PA* requires the head of every federal government institution to submit an annual report to Parliament on the administration of this Act during the fiscal year. This Annual Report provides a summary of the management and administration of the *PA* within Defence Construction (1951) Limited (DCC) for 2013–14.

MANDATE OF DCC

The principal mandate of DCC, pursuant to the *Defence Production Act*, is to meet the infrastructure and environmental needs of the Department of National Defence and the Canadian Armed Forces (DND/CAF) by providing quality services. DCC’s mission is to provide timely, effective and efficient project delivery and full lifecycle support for infrastructure and environmental assets required for the defence of Canada. DCC is an agent of the Crown incorporated for the purpose of carrying out the procurement for and delivering of defence infrastructure projects. The *Defence Production Act* defines a defence contract as a contract with an agent of Her Majesty that in any way relates to defence projects or to the designing, manufacturing, producing, constructing, finishing, assembling, transporting, repairing, maintaining, servicing or storing of or dealing in defence projects. DCC’s Letters Patent permit DCC to, among other activities, take on, lease or in exchange, procure, purchase or otherwise acquire, construct, alter, renovate, add to, improve and to hold, manage, maintain, operate, supervise, repair, heat, lease, sell, salvage, realize or otherwise dispose of real and personal property and in particular, lands and buildings. DCC reports to Parliament through the Minister of Public Works and Government Services.

DCC’S ACCESS TO INFORMATION AND PRIVACY OFFICE

DCC’s Access to Information and Privacy (ATIP) Office is accountable for developing and implementing effective policies, guidelines, systems and procedures to ensure that DCC meets its responsibilities under the *Access to Information Act (ATIA)* and the *PA*.

The main activities of the ATIP Office include:

- monitoring compliance with the acts, regulations, and relevant procedures and policies;
- processing requests under both acts;
- developing and maintaining policies, procedures and guidelines to ensure that DCC respects the acts;
- promoting awareness of the acts within DCC to ensure that employees are aware of their responsibilities;

- preparing annual reports to Parliament and other statutory reports, as well as other material that central agencies may require;
- representing DCC in dealings with Treasury Board of Canada Secretariat (TBS), the information and privacy commissioners, and other government departments and agencies to determine how the acts apply to DCC; and
- helping DCC meet its commitments to ensure openness and transparency, through proactive and informal disclosure of information.

The ATIP Office has two employees: the ATIP Coordinator and the ATIP Administrator.

DELEGATION OF AUTHORITY

Pursuant to section 73 of the *PA*, the President's authority has been delegated to enable the Corporation to meet its legislated requirements. The President delegated his powers and duties to the ATIP Coordinator.

See Appendix A for the Delegation Order.

SUMMARY AND HIGHLIGHTS OF ACTIVITIES

DCC did not receive any official requests under the *PA* in 2013–14. No activities are to be highlighted for this year.

EDUCATION AND TRAINING

During the 2013–14 reporting period, DCC provided employees with ATIP training in order to increase awareness and help the ATIP Office fulfill its mandate.

REPORT FOR SENIOR MANAGEMENT

An ATIP Quarterly Statistical Report was created by the ATIP Office to inform senior management and increase awareness of all DCC's *ATIA* and *PA* cases. On a quarterly basis, 10 senior managers are briefed on this reporting. Also, twice annually 19 senior managers are informed. Topics covered in the presentation include:

- Annual and quarterly comparison of access to information (ATI) cases and pages reviewed
- Consultation cases by region and government institution
- Annual ATI cases by source type
- 10-year analysis of ATI received
- Time entry related to ATIP work

INFORMAL TRAINING REFRESHER

The ATIP Office continues to promote *ATIA* awareness by providing an informal training refresher to all of DCC's Regional Offices when required. This informal training is provided by telephone on a case by case basis in order to educate employees on their roles and responsibilities upon receipt of an ATIP or consultation requests. Education included: duty to assist principles, defining obstruction of access, retrieval of relevant records pursuant to the *ATIA*, and fee calculation. Sessions and number of participants were not tracked, however these informal sessions were given to approximately 70% of all employees who received ATIP requests this fiscal year.

POLICIES, GUIDELINES AND PROCEDURES

DCC did not implement any new or revised ATIP policies, guidelines or procedures during the reporting period.
